Dear Mr. Maistry,

I want you to know that we are very pleased with the quality of service your company provides. We sincerely appreciate your responsiveness and the way you conduct business.

I would like to point out 3 specific individuals for their outstanding efforts to assist where they can and for their friendly and approachable demeanour:

- Keshal Sookraj
- Godfrey Mapara
- Colin Nel

I have not had a long standing relationship with Hino Pomana thus far but you can be assured of our loyal support for the foreseeable future.

Honest and fair service is something I find quite rare with services providers today and I must compliment you on just that staff who is willing to “cut the crap” and be honest and fair to their customers.

We have recommended your company to others because of our satisfaction with your service. We look forward to doing business with you for years to come.

Kind Regards
